

State Health Plan Adjustment for Montgomery County, Alabama, pursuant to Ala. Admin. Code r. 410-2-4-.04 Limited Care Facilities – Specialty Care Assisted Living Facilities

On October 5, 2017, the SHCC approved an adjustment to the Alabama State Health Plan, finding a need for an additional thirty-two (32) specialty care assisted living facility (SCALF) beds in Montgomery County, to provide for a multi-level senior living community which will provide a continuum of senior housing options on a contiguous campus under the same ownership and same management.
