Re: Alabama Hospice Agencies / Changes in Indirect Ownership Interest

Dear Ms. McGuire:

We are writing on behalf of CH Services Group Holdings, Inc. and its subsidiaries ("Curo") to notify you of a proposed transaction (the "Transaction") that will result in a change in ultimate control and indirect ownership interests of the hospice operators listed on Attachment A and B (the "Operators").

The Transaction will cause a change in indirect ownership interests multiple levels above the Operators. Under the Transaction, a consortium comprised of TPG Capital ("TPG"), Welsh, Carson, Anderson & Stowe ("WCAS"), Humana Inc. ("Humana") and certain other minority investors (collectively the "Shareholder Group") will acquire control of CH Services Group Holdings, Inc. Please see Attachment C and D for diagrams reflecting the pre- and post-closing structures. Note that the Transaction is expected to close in July 2018.

Enclosed please find Change of Control Applications for the parent Operators listed on Attachment A. Based on our telephone call on April 10, 2018, we understand Applications are only required for parent hospices and that branch hospices (included at Attachment B) do not require a separate Application.

As discussed on our April 30, 2018, telephone call, we understand that, if the Shareholder Group decides to re-organize or change the proposed organizational structure (as indicated in Attachment D) to include additional intermediate entities, any proposed changes may be submitted for your review in a separate filing. We also understand that any proposed re-organization that does not change the ultimate control and ownership interests in the Certificates of Need (which would continue to be held by the Shareholder

Group as proposed), will not be considered a Change in Indirect Ownership Interest requiring further Certificate of Need review.

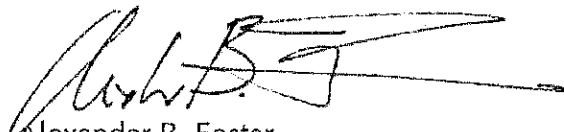

We also respectfully request that your consideration of any proposed re-organization that may be submitted not delay your approval of the enclosed filings for a Change in Indirect Ownership Interest.

In a separate communication, change-of-information CMS-855As will be submitted to the assigned Medicare Administrative Contractor and, where required, the applicable state Medicaid agency to report this change.

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,

ARNALL GOLDEN GREGORY LLP

Alexander B. Foster
