Alva M. Lambert, Executive Director
State Health Planning and Development Agency
(Certifying Officer or his or her Deputy)

(NOTE: In accordance with § 41-22-6(b), as amended, a proposed rule is required to be certified within 90 days after completion of the notice.)

410-1-8-02 Contested Case Before Administrative Law Judge

- (1) Upon timely written request of the applicant or intervenor of record that the application be assigned to an Administrative Law Judge, the Executive Director shall direct that the public hearing on the application or applications be held before an Administrative Law Judge appointed by the Governor of the State of Alabama. The assignment to an Administrative Law Judge shall occur within ten days of the timely written request, unless extended by agreement of the parties or as required to identify and resolve scheduling or conflict issues involving a potential judge. The Administrative Law Judge shall conduct the contested case proceedings in accordance with the Alabama Administrative Procedure Act, and shall file with the Board proposed findings of fact and conclusions of law with the Board in accordance with §§ 41-22-15 & -16, Ala. Code, 1975.
- (2) In the case of competing or batched applications, if one competing applicant or intervenor makes request pursuant to 410-1-8-02 (1) for a contested case hearing, then all applications which are competing or batched with that applicant shall be also conducted as contested cases, regardless of whether such request for contested case status is made by those applicants.
- (3) A fee not to exceed the cost of the contested case proceeding, including the fee paid to the Administrative Law Judge, will be imposed upon the parties to the contested case proceeding. The parties shall each be responsible for their own legal fees.
- (4) Security for costs shall be filed with the written request for a contested case proceeding. If the requester desires to post cash in lieu of security for costs, application shall be made to the Agency and the amount of cash to be posted shall be set by the State Agency. Security for costs shall be approved by the State Agency. Any cash security shall be conditioned and deposited to secure the payment of the Administrative Law Judge, at the conclusion of the contested case proceeding. Failure to file security for costs with the request for a contested case proceeding shall result in the contested case proceeding request being deemed incomplete.
- (5) In contested cases the presiding officer of the Certificate of Need Review Board, or, if the case is assigned to an Administrative Law Judge, the Administrative Law Judge, may in his or her discretion, issue a discovery order requiring applicants and intervenors, a reasonable time before the contested case hearing, to exchange lists of expected witnesses, together with a general summary of each witness' testimony, copies of documents to be offered as evidence at the hearing and if specifically requested, copies of any documents referred to in the Certificate of Need application not otherwise available to the public. Unless extended by written agreement of all parties: (a) any public hearing before an Administrative Law Judge pursuant to this section shall begin within forty-five (45) days of assignment to the Administrative Law Judge and be completed within ninety (90) days; and (b) the Administrative Law Judge shall render proposed findings of fact and conclusions of law in accordance with the Alabama Administrative Procedure Act within thirty (30) days of completion of the transcript.

- (6) Because substantial information is contained in applications for Certificates of Need, in supplemental filings, and in filings required of intervenor-opponents, it is the Agency's experience and judgment that the probative value of additional information obtained through more extensive discovery rarely justifies the accompanying burdens in time and expense, even though there is always additional information which is arguably "relevant" or "material." Therefore, depositions, interrogatories, document production requests, requests for admission, subpoenas, or subpoenas duces tecum, are not favored, and it is recommended that the discretion to authorize such discovery be exercised against permitting such discovery, or that any such discovery be limited to the most rare and unusual circumstances.
