**Re: Deese & Maxey, P.C. d/b/a Rebound Rehab (“Rebound Rehab”)
CON 2811-ORT; Project No. AL 2017-043**

Project Modification Request/Filing Fee

Dear Mr. Lambert:

On behalf of Rebound Rehab, I am writing to request a project modification for the above-referenced CON. Rebound Rehab requests that CON 2811-ORT be modified to change the location of the proposed rehabilitation center from the location listed in the CON application (2260 Pesnell Court, Suite 9D, Mobile, Alabama 36695) to the following new location approximately two miles away: 5920 Grelot Road, Suite C2, Mobile, Alabama 36609. The new location proposed by Rebound Rehab is more suitable for the proposed rehabilitation center than the originally-approved location. The proposed change in location will not change the cost of the project or require any other modifications.

Pursuant to § 410-1-10-.03 of SHPDA’s regulations, a check for the filing fee of \$1,225 is being sent to SHPDA by overnight mail with a copy of this letter. I certify that a copy of this request for a second project modification has been served on all parties of record in the underlying administrative proceeding or who filed letters in opposition thereto.

Thank you for your assistance. Please let me know if you have any questions or need any further information about the status of this project.

Sincerely,

David M. Hunt
Attorney for Rebound Rehab
