IV. ACKNOWLEDGEMENT AND CERTIFICATION BY THE APPLICANT

- ACKNOWLEDGEMEN'T. In submitting this application, the Applicant understands and acknowledges that:
- A. The rules, regulations and standards for health facilities and services promulgated by the SHPDA have been read, and the Applicant will comply with same.
- B. Upon the granting of a CON pursuant to this application, and licensure by the ADPH, the Applicant shall agree to provide services only in the counties encompassed by the CON, which shall result in the automatic vesting of the CON.
- C. Applicants seeking a CON herein under the non-substantive review procedures authorized by Ala. Admin. Code r. 410-2-3-.10(6)(f)3. shall be granted a single CON encompassing all of the counties proposed to be served under a single Medicare Provider Number. Such CON authority may not be subsequently divided, e.g., a hospice provider may not separate such authority into separate CONs for future disposition. Any action to transfer or assign the certificate in violation of this or any other restriction found in Alabama law or the SHPDA rules will render it null and void.
- D. Pursuant to Ala. Admin. Code r. 410-2-3-.10(6)(f)5., the granting of a CON under this provision shall be conditioned on timely compliance with any data request issued on an annual basis by the SHPDA staff in conjunction with the adoption of long-term need methodology.
- E. Pursuant to Ala. Admin. Code r. 410-2-3-.10(6)(f)5., a hospice services provider that obtains a CON and subsequently fails to substantially comply on a timely basis (subject to any authorized extensions) to an annual data request from the SHPDA staff adopted in conjunction with long-term need methodology shall be assumed to have ceased operations as of the end of such period until the provider complies fully with all outstanding SHPDA data requests. Any provider that has deemed to have ceased operations under such provision shall be prohibited from submitting any CON application for additional authority or from seeking consideration by SHPDA of such facility's utilization data to oppose another provider's CON application. In accordance with Ala. Admin. Code r. 410-1-11-.08(2), should such cessation of operation continue for an uninterrupted period of twelve (12) months or longer, the provider's CON shall be deemed abandoned. SHPDA shall report to the ADPH any provider who is deemed to have abandoned its CON under this section.
- F. The Applicant will notify SHPDA when a project is started, completed, or abandoned.
- G. The Applicant must comply with all state and local building codes, and failure to comply will render the CON null and void.
- H. The Applicants and their agents will construct and operate in compliance with appropriate state licensure rules, regulations, and standards.

HPC-CON-NS-3 3/2010

- I. Projects are limited to the work identified in the CON as issued.
- Any expenditure in excess of the amount approved on the CON must be reported to SHPDA and J. may be subject to review.
- K. The Applicant will comply with all state statutes for the protection of the environment.
- L. The application for licensure was timely submitted to the ADPH within twelve (12) months of the issuance of the Letter(s) of Non-Reviewability by SHPDA on or before July 7, 2006, under the former provisions of ALA. CODE § 22-21-29(d) (1975 as amended), and the application for licensure has not been deemed to have been abandoned.
