RE: AL-2012-036, CON-2591-SCALF, Chateau Vestavia Hills, LLC

Dear Mr. Lambert:

As you know, this firm represented the applicant in connection with the award of CON-2591-SCALF, a Certificate of Need ("CON") for the conversion of eight (8) assisted living apartments to eight (8) Specialty Care Assisted Living Facility (SCALF) apartments, pursuant to AL-2012-036; that CON was issued on October 4, 2012.

Pursuant to CON Rule 410-1-10.03, I hereby request a project modification of that CON. This modification is necessary due to inadvertent scrivener's error in the application. In the application, the Applicant was erroneously identified as Chateau Vestavia Hills, LLC. The appropriate designation should have been Chateau Vestavia, LLC. No entity such as Chateau Vestavia Hills, LLC exists or has been registered with the Secretary of State. The previous CON to which these beds were added, CON-2079-SCALF, was issued to Chateau Vestavia, LLC, as should have been the request more recently. Please note that there was no opposition to the application,

In addition to the proper number of copies, I enclose a check in the amount of \$775 (25% of the original CON application fee of \$3100) for the required modification filing fee. Please note that this modification request (i) impacts no spending thresholds in any way, and (ii) does not involve a physical location move, a change in bed capacity, or a change in the provision of health services. Accordingly, it meets the criteria under CON Rule 410-1-10-.03(2) permitting you as Executive Director to review the project modification without further CON Review Board action. We respectfully ask you to consider this request in that light.

Should you need other information, please let me know.

Sincerely,

Peck Fox
