**RE: Notice of Hospice Re-alignment within current service area**  
Provider: Covenant Hospice, Inc. d/b/a Covenant Hospice, Inc. Brewton  
Address: 1023 Douglas Avenue, Suite 204, Brewton, AL 36426  
Satellite of Provider No.: 01-1577 License No.: 10937

Dear Mr. Lambert:

Pursuant to the requirements of the conditions of participation and the regulations for the State of Alabama, please be advised of our intention to re-align the hospice services provided by our Dothan, Mobile, Daphne and Brewton hospice locations. Currently, Dothan is the Parent/Primary site and Mobile, Daphne and Brewton operate as satellites of this provider.

Effective March 1, 2015, we will no longer maintain the physical Brewton address referenced above. All patients, staff and records will transition to the Daphne location, which we will continue to operate as a satellite of the Dothan office.

Please find enclosed our company check for the Letter of Non-reviewability fee.

Upon receipt of our Letter of Non-reviewability, we will submit notification to the Alabama Department of Public Health to eliminate the license at the Brewton physical location and advise them of the re-alignment, making Dothan the Primary, and Mobile and Daphne the satellites. We will also be filing to update these changes to our Medicare certification.

Thank you for your assistance in this matter. If you have questions, or need additional information, please contact me at 850-433-2155, or [odin.berg@covenanthospice.org](mailto:odin.berg@covenanthospice.org).

Sincerely,

Odin Berg
