**RELOCATION OF HOME HEALTH AGENCY and TRADE NAME CHANGE (effective 08/19/2015)**  
**REVIEWABILITY DETERMINATION REQUEST**

Dear Mr. Lambert:

Pursuant to SHPDA Rule 410-1-7-02, I am writing to request your determination that the relocation of the administrative offices of the home health agency referenced above to another site also within Clarke County, Alabama is not subject to certificate of need review. In addition, the provider will simultaneously be changing its trade name from Infirmiry HomeCare of Grove Hill to Infirmiry HomeCare.

Effective August 19, 2015 the provider intends to relocate its administrative offices to the following address in the City of Jackson, Alabama:

800 College Avenue  
Jackson, AL 36545-2533

The relocation of the agency's administrative offices will not include the addition or conversion of any beds and it will not involve the acquisition of stock. The services to be offered from the new location will be the same as the services offered from the current location. The approximate distance between the 2 sites is less than 16½ miles.

The capital expenditure for the relocation project is expected to be less than \$25,000.00. In addition, there will be no changes in the staff, management and service area of the home health agency as a result of this relocation.

Please find enclosed a check in the amount of \$1,000.00 made payable to the Alabama State Health Planning and Development Agency for this reviewability determination.

Should you have any questions or if I may be of further assistance, please do not hesitate to contact me at (337) 233-1307, Ext. 210760.

Sincerely,
