Re: Relocation of Home Health Agency

Dear Ms. Marsal,

I am writing on behalf of ProHealth-Gulf Coast, LLC (the "Agency") in accordance with Rule 410-1-7-.02 to notify the State Health Planning and Development Agency ("SHPDA") that the Agency will be relocating its administrative office to another site in Baldwin County and to request a determination that such relocation is not subject to Certificate of Need Review.

Effective January 1, 2020, the Agency will relocate to 101 B Villa Drive, Daphne, Alabama 36526. The distance between the Agency's current office and new office is 6.9 miles. The relocation of the Agency's administrative office will not include the addition or conversion of any beds, will not involve the acquisition of stock, and the services to be offered from the new location will be the same as the services offered from the current location. The capital expenditure for the relocation of the administrative office is expected to be less than \$15,000. In addition, there will be no changes in the staff, management, or service area of the Agency as a result of this location.

We will submit the filing fee electronically contemporaneously with the filing of this request.

If you have any questions or need any additional information from us, please do not hesitate to let me know.

Sincerely,

David A. Lester
