MONTGOMERY, ALABAMA 36104

September 15, 2011

Dear Administrator:

Enclosed for completion is the *October* Quarterly Patient Origin Survey. July's survey should include discharges from **July, August, and September**. The deadline for this survey is **November 30th, 2011**.

This packet is offered electronically, which allows for immediate delivery, and eliminates lost or misdirected packets. If you or your designated representative would like to begin receiving this packet electronically, complete the appropriate section on the enclosed form. **Please consider filing the patient origin survey data electronically.** Electronic data saves time, paper and storage space and ensures much greater accuracy than manually (paper) submitted data.

Detailed specifications for electronic filing, the preferred method, are also enclosed. The enclosed Survey Transmittal Form **must be** submitted with paper or media-submitted surveys. If the data is sent via E-mail, the same requested information must be provided in the E-mail.

As always, please verify the data prior to submitting it. The correct codes for properly identifying all fields are enclosed with this packet. Also, please indicate which version of the DRG codes your facility is utilizing.

Media submissions or the completed report should be sent to one of the following addresses:

MAILING ADDRESS (U. S. Postal Service)
PO BOX 303025
MONTGOMERY AL 36130-3025

STREET ADDRESS (Commercial Carrier)
100 NORTH UNION STREET STE 870
MONTGOMERY AL 36104

E-mail submittals should be made to data.submit@shpda.alabama.gov.

Please be aware that we are continuing to contact facilities about past due reports for prior data sets. If you are unsure whether your facility has submitted all prior data sets, please contact me.

SHPDA has been asked to investigate the possibility of adding an additional service code to cover Long Term Acute Care Patients. It has also been requested that we add an additional payer source code for Medicare HMO patients. Based on conversations with several hospital care providers, I am considering instituting these changes beginning with the 2012 data. Please provide your input and let me know if these two additional codes would be a problem for you to implement into your system.

Through our joint efforts, improvements in the quality and content of data can be accomplished. If you have any questions or concerns, do not hesitate to contact me at (334) 242-4109 or bradford.williams@shpda.alabama.gov.

Sincerely,

Bradford L. Williams
Data/Planning Director
