A. Status Updates

410-2-3-.10, In-Home Hospice Services

410-2-4-.08, Inpatient Physical Rehabilitation

B. Plan Amendments

Section 410-2-5, Table of Contents, *2020 – 2023 Alabama State Health Plan*

Section 410-2-5-.08, SHCC Committee Responsibilities, *2020 – 2023 Alabama State Health Plan*

- C. PA2022-001, Veterans Recovery Resources.** Proposes to adjust Section 410-2-4-11(5) to approve thirty-four (34) substance abuse beds to be located in Mobile County, with consideration given to facilities which can address the specialized needs of

veterans and first responders. **Opposition: Bradford Health Services – Notice of Withdrawal of Opposition received December 9, 2021.**

D. DR-159, 2LR Healthcare Holdings, LLC, d/b/a Heart and Vascular Institute of Alabama. Requests affirmative determinations that locating a cardiac catheterization laboratory in an ambulatory surgery center is consistent with the current State Health Plan; that the State Health Plan does not prohibit elective percutaneous coronary intervention from being performed in a cardiac catheterization laboratory of an ambulatory surgery center; and that conditions imposed by the current State Health Plan on a hospital performing elective same day discharge percutaneous coronary intervention procedures apply to the same procedures performed in an ambulatory surgery center. **Opposition: Motion to Dismiss Petition for Declaratory Ruling filed jointly by The Health Care Authority for Baptist Health, an Affiliate of UAB Health System, d/b/a Baptist Medical Center South; The Health Care Authority for Baptist Health, an Affiliate of UAB Health System, d/b/a Baptist Medical Center East; Montgomery Surgical Center, LLC; Jackson Hospital & Clinic, Inc.; and Jackson Surgery Center, LLC, d/b/a Jackson Surgery Center.**

VIII. ADJOURNMENT

CHAIRMAN
